

12 March 2020

Assalamu Alaikum

After the confirmation of a third case of Coronavirus (COVID-19) in NZ we want to confirm that we are following the advice of the New Zealand Ministry of Health and will be continuing all of our classes as per normal.

If your daughter is feeling unwell we do ask that you refrain her from attending school and we ask all our students to continue good hygiene practices such as:

- Washing your hands with soap and water for a minimum of 20 seconds after going to the bathroom and before/after consuming food.
- Covering you mouth and nose when you cough or sneeze with a clean tissue or with your elbow.
- Staying 1 metre away from others who are coughing or sneezing.

If you have any further concerns please feel free to get in contact or check out the Ministry of Health's website (<https://www.health.govt.nz/>) or call the dedicated Healthline number for Coronavirus on 0800 358 5453.

Kind regards

Nadeema Nordien
Health and Safety Coordinator
