QUICK NOTICES

A reminder that **school will be closed on Monday 4 June 2018** due to Queens Birthday weekend. Have a safe long weekend.

All students that are fasting will need to bring an emergency snack with them to school daily in the event she may have to break her fast.

If your child requires medicine and you would like us to store medication long-term (such as inhalers, hay fever tablets, etc.) a Medicine Consent form must be completed and brought into school (links below). Hard copies of the form are also kept in the sick bay - please ask for one at the office. We are unable to administer medication to students without parent/caregiver consent.

Students are not to keep medication of any kind in their bag (for their safety and others) under any circumstances.

The school is not obliged to provide panadol, so please provide your daughter with panadol to be kept in the sick bay.

If the moon is sighted on Thursday 14 June 2018, Friday 15 June will be Eid Ul Fitr and there will be no school.

Monday is a normal school day. Students may wear their Eid clothes to school and bring a plate for shared lunch.

In the spirit of Ramadan, we would like to have a can drive as part of bringing happiness to others in need.

If each student could bring a can of food a day, starting next week (less than \$5 a week), at the end of Ramadan, the cans will be given to a Foodbank.

When you give someone charity be thankful to them. You may be fixing their Dunya, but they are fixing your Akhirah.
